SPECIFICATIONS

Welcome to Whistler's Village – an enchanting oak collection with engineered planks revealing a clean allure with a 3-layer solidcore and 3mm sawn wood face layer. Measuring 7 1/2" wide and 9/16" thick, these floors celebrate nature's essence with microbeveled edges and a light wirebrushed texture while also embracing the warm glow of low luster with UV-cured polyurethane finish and aluminum oxide protection. Versatile T&G joint allows for effortless installation, on, above, or below grade, while Floorscore certification ensures an eco-friendly choice, making Whistler's Village the perfect haven for cherished memories and timeless romance.
