L'ART DE L'INTÉGRATION

Transformer les douches grâce à un design unifié

La série TRENDLINE de Schluter transforme l'espace de la douche avec une palette raffinée de couleurs qui unifient sans effort les grilles de drain, les étagères et les profilés. Ces options soigneusement sélectionnées permettent aux designers et aux propriétaires d'obtenir un look harmonieux où chaque détail rehausse l'ambiance générale. Que vous conceviez un havre de paix inspiré d'un spa ou une oasis urbaine moderne, les couleurs TRENDLINE garantissent que la douche devienne une vitrine d'élégance et d'innovation.
