Cutting the Linear Drain Grate to size on site is simple. Blades like the Diablo Steel Demon Cermont II Blade or equivalant make a clean and cool cut through the Ubertile Stainless Steel Drain Grate. These type of blades can be purchased from most hardware stores.

La découpe de la grille de drainage linéaire sur place est simple. Des lames comme la Diablo Steel Demon Cermont II ou équivalente permettent une découpe nette et précise de la grille de drainage en acier inoxydable Ubertile. Ces lames sont disponibles dans la plupart des quincailleries.
