

# THE ART OF FLOOR SYSTEMS

An industry that connects us.  
For 111 years. For a shared future.

**UZIN UTZ**<sup>®</sup>  
YOUR FLOOR. OUR PASSION.

# FLOORING IS OUR ART

**“The Art of Floor Systems” is the concept which lays the foundation of how our family of brands will collaborate in 2022 and beyond! Our ambition to create flooring masterpieces has never been greater!**

Executive Board Members  
Heinz Leibundgut, Julian Utz, Philipp Utz

**Dear partners, friends  
and UZIN UTZ family,**

We have always believed that installing floors is a real art. Skilled, creative and hands-on, flooring is a multifaceted world of ideas and devote professionals.

**FOR 111 YEARS, THE WORLD OF FLOORING HAS BEEN  
OUR VOCATION AS A FAMILY BUSINESS.**

We started as a small, regional adhesive manufacturer in Vienna that has since developed into a leading global manufacturer of products and systems for flooring technology as well as a pioneer and leader in the industry. Our high performance products and tools allow contractors, craftsmen and architects to design and install floors of the highest caliber. Although we set high standards we keep our feet firmly on the ground, as growth and sustainability always go hand in hand.

Over the past 111 years, we have continuously developed and grown

**SIX STRONG BRANDS.**

Together, they provide the foundation for professional flooring installation. Whether UZIN, WOLFF, PALLMANN, arturo, codex or Pajarito, each brand is an important building block in our flooring expertise and part of the UZIN UTZ family, because only together we are successful! We have always believed in dedication. That applies to our valued employees and customers too. The potential and personal development of individuals is what enables us to evolve our unique history into the future. Being dependable and cultivating diverse expertise is also very important to us. Our campaign “The Art of Floor Systems” merges together all our different qualities and abilities.

**DIVERSITY MAKES US SPECIAL AND ON OUR ANNIVERSARY,  
WE ARE MOVING EVEN CLOSER TOGETHER AS A FAMILY. ONLY  
COLLECTIVELY CAN WE SUCCEED IN DEVELOPING VISIONS,  
PRODUCTS AND SERVICES FOR THE FLOORING OF TOMORROW.**

As a strong family with real dedication to craftsmanship, we will support you even more in the future and more resolutely than ever. We will provide everything you need to professionally plan and install the floor. We look forward to the journey with you.

**Let's celebrate  
“The Art of Floor Systems” together.**

# NOW AND THEN FOUNDED AND MANAGED BY THE UTZ FAMILY

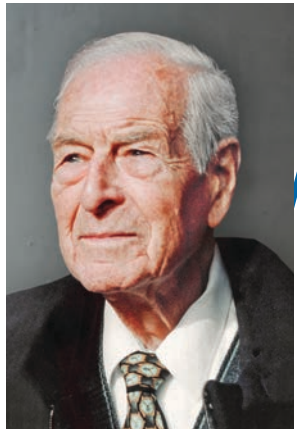

“Fabrikation  
Chemischer  
Produkte”

1911

1911  
GEORG UTZ

First generation founder of UZIN. The family business had its roots in Vienna as a chemical product manufacturer (the “Fabrikation Chemischer Produkte” company).

1961  
G. WILHELM UTZ

Second generation takes over management of the company and moves UZIN to its current location in Ulm. At that time, the company generated 12 million Euros of revenue and had 100 employees.

1980  
DR. H. WERNER UTZ

After becoming Chairman of the Board, Dr. H. Werner Utz begins the global expansion of Uzin Utz AG. Under his leadership, the company was the first in the industry to create Environmental Product Declarations (EPDs) for flooring installation materials and initiated the phasing out of solvents from adhesives. His defined, sustainable growth strategy set the course for the future.

2018  
JULIAN AND PHILIPP UTZ

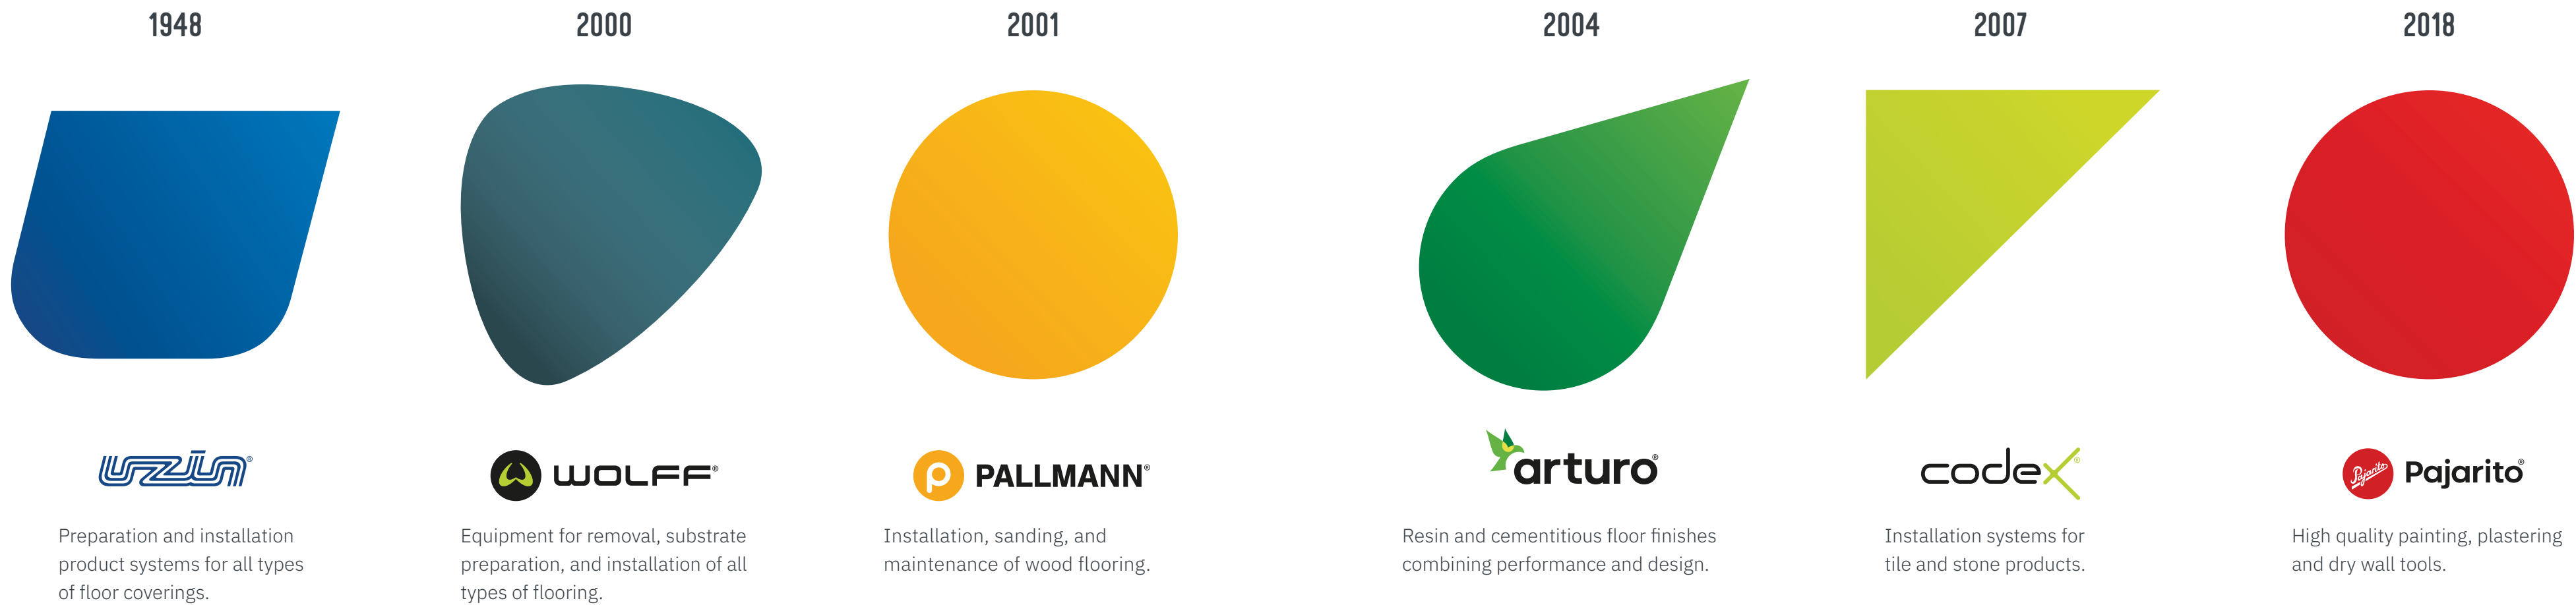

Following in their father’s footsteps, Julian and Philipp are the fourth generation to lead the family company, with their father Dr. H. Werner Utz as chairman of the supervisory board. Their strategy PASSION 2025 guides the vision of the future for UZIN UTZ and the flooring industry.

**LOOKING AHEAD**  
**UZIN UTZ** plays a leading role in defined markets for flooring installation systems. Thanks to innovative thinking, a sophisticated sustainability strategy and healthy growth, the family company continues to shape the future and set new standards for flooring installation. In 2020 we launched **PASSION 2025** our corporate strategy that provides the blueprint for the growth of UZIN UTZ. One foundation in this strategy’s success is our highly committed, open-minded, passionate employees who are shaping the future of UZIN UTZ and innovation of tomorrow for the flooring industry.

As our global expansion continues we will build off the foundation of our people and the values of a family business.

# THE FAMILY IS GROWING

The individual brands of UZIN UTZ contribute to our overall diversity and strong performance within the flooring industry. Each brand brings individual character, specific installation product systems, and areas of expertise through our people. In the future we are going to further effectively and jointly coordinate our family of products, materials, and equipment that will develop new comprehensive solutions for the professional contractor to best equip them for the challenges of tomorrow. This will ensure all the components of our brands work in perfect synergy allowing distributors, contractors, and architects to achieve what we as a manufacturer as well as anyone who designs floors to the highest caliber are rightly proud of – **true craftsmanship.**

OVER 111 YEARS, THE UZIN UTZ FAMILY HAS GROWN, WITH BRANDS REPRESENTING ALL THE DISCIPLINES IN THE ART OF FLOOR INSTALLATION. WE ARE UNITED BY OUR PASSION AND AMBITION TO PROVIDE OUR DISTRIBUTOR PARTNERS, PROFESSIONAL FLOORING CONTRACTORS, ARCHITECTS, AND DESIGNERS WITH THE TOOLS, PRODUCT SYSTEMS, AND INNOVATION THEY NEED TO INCREASE PRODUCTIVITY AND PROFITABILITY OF ANY FLOORING INSTALLATION PROJECT. WE HAVE NOW BROUGHT OUR FAMILY OF BRANDS CLOSER AND UNITED WITH THE ART OF FLOOR SYSTEMS.

# THE ART OF FLOOR SYSTEMS

# UZIN. YOUR FLOOR OUR PROMISE.

**UZIN**  
YOUR FLOOR. OUR PROMISE.

Our promise to you is simple. We will be there always offering the highest level of technical expertise, innovation, and product solutions for any flooring project.

# 111 YEARS OF GLOBAL EXPERIENCE

Since 1911 in more than 50 global markets, UZIN has stood for high quality, innovated product systems, and personalized guided technical support. Our industry leading standards in product innovation and quality allows our product systems to be used consistently in standard applications and under the most extreme conditions. Our industry leading warranties back up these claims allowing customers to place their trust in the brand UZIN.

## EXCEPTIONAL SERVICE AND SUPPORT

We strive to be a partner in the flooring industry and invest significant resources into product training and job site technical advice to ensure our products are used effectively and achieve maximum results. Our customers have access to multiple touchpoints of UZIN support that include digital and in person consulting.

More about  
UZIN

## OUR TEAM MAKES THE DIFFERENCE

At UZIN, we not only provide high quality products but first class service as well, offering support and solutions for all types of floor installations. Contractors and architects more and more are searching for system solutions that streamline their work, reduce costs and offer additional long term security. UZIN can provide solutions and specifications that meet those needs.

Our service also includes technical consultation and correct recommendations for projects with additional complexity. Our field technical sales managers can support and advise you at your job sites.

## WHAT'S NEXT?

# THE FLOORING SPECIALISTS

The alliance with our sister brands allows the brand UZIN to provide customers with a comprehensive range of products and systems along with specialist technical expertise across all areas of flooring installation. Our family of brands bring expertise in specific areas which allows you to have a team of experts supporting your project every step of the way. This wide range of expertise allows **UZIN UTZ** to be the most versatile flooring product systems suppliers in the world.

# WOLFF. WE GIVE YOU THE EDGE.

Our combined German engineering with American expertise gives *YOU THE EDGE* to increase productivity of flooring removal, preparation or installation on any job site.

# PREPARING THE FLOOR FOR SUCCESS

**For over 60 years we have been manufacturing high-quality machines and installation tools for the flooring trade becoming the global market leader. All of our machines and tools start at our Global Manufacturing facility in Ilsfeld, Germany with in-house design, development, testing and fabrication.**

## INNOVATIONS THAT INSPIRE

Our product development process is guided by the day-to-day practical experience of our customers. The commitment to this development practice allows us to simplify processes, increase productivity, and ultimately increase profitability. We offer contractors the opportunity to experience our innovations in training courses or with one of our technical representatives on job sites.

## DEVELOPING MACHINES AND TOOLS FOR THE FUTURE

As new technologies and materials for flooring installation are developed, we also discover new possibilities for machines and tools working closely with the professional flooring contractor. The power of the UZIN UTZ brand family is an inspiration for innovation!

## WHAT'S NEXT?

# PREMIUM PERFORMANCE FROM PREMIUM PRODUCTS

Wolff Tools plays a key part within the **UZIN UTZ** family of brands. In addition to inspiration for innovation from our customers, we work closely with each of our brands to develop special machines and tools tailored to specific applications. The collaborative approach within our company assures the professional flooring contractor a premium performance product.

# PALLMANN. WOOD FLOORS PROTECTED.

Wood flooring is a natural material that allows craftsmen to create a floor covering that will last a lifetime. UZIN UTZ through our PALLMANN brand allows craftsmen of this trade to create masterpieces that express their passion and enthusiasm that brings floors to life.

# WELCOME TO THE WOOD FLOORING TEAM

**Since 1900 PALLMANN has been using the latest technology available in the wood flooring installation market. We are constantly working on low-emission products, ergonomic tools, and elimination of solvents to provide the very best in both performance and working conditions for the hardwood flooring contractor. In coordination with our sister brands within UZIN UTZ we offer moisture mitigation products, adhesives, sanding machines, sealers, finishes and maintenance products proudly under the PALLMANN name.**

## PASSION FOR WOOD FLOORS

Our team of dedicated, experienced, hardwood flooring industry professionals reflects the commitment and passion we have for our products, customers, and the trade. We have built our business on developing quality relationships with our customers that bring real experience and technical expertise to their business. The result is beautiful hardwood floors that are protected for years to come.

## LEADING THE INDUSTRY

PALLMANN has been using the latest technology available in raw materials, development, and manufacturing of wood flooring installation products. We are consistently striving to produce the next generation of waterborne finishes that meet or exceed environmental standards and support the sustainable nature of wood flooring. It is also our goal to inspire creative design through the use of our sustainable products.

## WHAT'S NEXT?

# GROWING TOGETHER

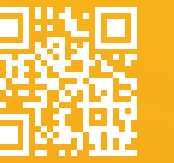

Sustainability and innovation are key challenges in the future that the PALLMANN brand will be able to handle as part of the family of UZIN UTZ brands. Our people will benefit from the know-how and experience that our different brands have acquired in a wide range of markets. This expertise will contribute to our overall future success.

## WHAT'S NEXT?

# FROM A SINGLE SOURCE

As the UZIN UTZ brands grow even closer together, we will be able to offer our customers a wider portfolio of products for related trades. Being a family business, despite our group structure, is a great advantage. We know and trust each other, we communicate with each other effectively and give each other great support, which in turn benefits our customers.

# PAJARITO. TOOLS SINCE 1923.

Good tools can only be developed when manufacturers work in close collaboration with the trade and respect and trust in each other's abilities. As experts, we make tools for professionals, based on our extensive experience and practical knowledge.

# QUALITY TOOLS

**Pajarito is a traditional manufacturer of high quality painting, plastering and drywall tools that are valued by craftsmen all over the world. When developing and manufacturing our tools for walls and ceilings, we always put great value on our close collaboration with our partners in the trade and industry to develop the perfect solutions. That means that professionals can absolutely rely on the quality and durability of our tools. Our customers' satisfaction is the measure of our success.**

## INNOVATIVE PRODUCT RANGE

We can reflect on our long successful history with satisfaction, but also enjoy looking to the future. Materials and manufacturing techniques are evolving with new needs and requirements emerging, such as product sustainability. We are therefore proud of our innovative strength. We do not just follow trends, but drive them forward again and again with new products we have developed.

## MORE THAN JUST PRODUCTS

We place great value on personal service and professional training. Our experienced sales representatives go everywhere to present new products and pass on their expertise in training sessions. To promote young talent in skilled trades, we support apprenticeships, colleges, training establishments and academies with training courses for various skills.

## WHAT'S NEXT?

# COMPREHENSIVE PRODUCT RANGE

As part of our growing family, we see ourselves as a versatile partner to complement our extensive range of flooring systems. Customers also have access to our portfolio of tools for walls and ceilings, which they can trust just as much as every other UZIN UTZ brand.

**CRAFTSMANSHIP IS NOT ONLY  
PART OF OUR ANNIVERSARY  
CELEBRATION, BUT INTEGRAL TO  
OUR UNDERLYING PRINCIPLES.  
THIS, FOR US, EMBODIES  
THE ART OF FLOOR SYSTEMS.**

111 YEARS OF UZIN UTZ. 111 YEARS OF PASSION FOR FLOORING.

# ONE FOR ALL

ARCHITECTS, BUILDERS, FLOORING CONTRACTORS, SCREED INSTALLERS, MANUFACTURERS, SPECIALIST RETAILERS, TILE FITTERS, GENERAL CONTRACTORS, WOOD FLOORING INSTALLERS, WHOLESALERS, RESIN FLOORING CONTRACTORS, PAINTERS, MOSAIC INSTALLERS, INTERIOR DECORATORS, CARPENTERS, STONEMASONS

ALL OVER THE WORLD, THERE ARE PEOPLE WHO SEE FLOORING AS A LIFELONG TRADE JUST AS WE DO AND WHO ARE TRUE EXPERTS IN THEIR FIELD: CRAFTSMEN, CONTRACTORS AND ARCHITECTS WHO ARE ALWAYS LOOKING FOR BETTER SOLUTIONS AND ARE ONLY SATISFIED WITH THE BEST POSSIBLE RESULTS. THEY ARE OUR MOST IMPORTANT PARTNERS, WHOSE EXPERIENCES HELP US TO MOVE FORWARD, WHOSE CHALLENGES INSPIRE US. WE ARE ALWAYS AVAILABLE TO PROVIDE THEM WITH ADVICE AND SUPPORT, NOW, AND EVEN MORE IN THE FUTURE.

Each UZIN UTZ brand is dedicated to the flooring industry and supporting their respective trades in a special way. In addition to mutually beneficial relationships and friendly collaboration, we believe in the importance of actively promoting craftsmanship. To this end, we support both national and regional professional institutions such as craft guilds and associations. We develop new application technologies and introduce them to the trade by providing qualifications for skilled workers in advanced training courses.

Unique brands,  
stronger together.

An industry that connects us.

AS, TOGETHER  
WE ARE \_\_\_\_\_

**UZIN UTZ®**  
YOUR FLOOR. OUR PASSION.

SIX BRANDS.  
ONE PASSION.

As in any good team, each individual at UZIN UTZ counts. Everyone who works with us or for us to achieve success makes a valuable contribution with their skills, experience and character, whether they are a customer, partner or employee. It is this diversity that makes us strong. It is the source from which we constantly draw new ideas and solutions.
