

BUILDER BOARD™ WITH LIQUID SHIELD™

Roll out fast and flat to protect surfaces with Builder Board™ and make jobsite protection even easier.

Builder Board replaces the need for bulky sheets of Masonite and with the use of Liquid Shield™ technology, Builder Board™ is spill proof. It defends against water, paint, mud and more. Builder Board™ is also 100% recyclable and available with custom color printing to promote your business. Builder Board allows curing floors to breathe, preventing cure marks and promoting even finishes.
