STYLE & ELEGANCE

Lamdura laminate floors offer a wide variety of looks and colorways to coordinate and elevate any space in your home.

EMBRACE YOUR CREATIVITY

The Lamdura laminate family offers unparalleled quality, versatility, and style. Featuring three collections—Landmark, Inspirations, and Visions—the possibilities are endless. Planks are available in three plank-to-plank color variation styles that range from light to heavy.

Lamdura's designs showcase unique high definition décors with wood grain or embossed-in-register (EIR) textures that effortlessly emulate authentic wood floors.

ENGINEERED FOR EVERYDAY LIFE

Lamdura laminate floors are designed to withstand life inside the busiest households. The three collections are engineered with a focus on quality, durability, and indoor air quality. All Lamdura laminates feature a product composition that provides long-lasting wear resistance, moisture protection, and low off-gassing levels from unwanted chemicals.

FEATURES

A Focus on Your Home's Indoor Air Quality

Lamdura laminate floors are GreenGuard Gold, Blue Angel and ECO Institut certified, ensuring they meet the highest indoor air quality standards. Our laminate floors are constructed using a product composition that has low off-gassing levels of VOCs or formaldehyde—helping you provide the healthiest environment for your family and home.

Advanced Levels of Water Protection

The Landmark and Inspirations collections feature water resistant performance and long lasting protection to meet the needs of your home.

Aqua Protect : 72-hour protection against everyday household spills. Pet friendly, safe to wet and steam mop plus extended spill and standing water protection.

*The Inspirations and Landmark collections have been certified by NALFA (North American Laminate Flooring Association) to meet the highest use level specifications (Level 3 - Commercial Use). Inspirations and Landmark have also been certified by NALFA to meet surface swell requirements to be classified as water resistant laminate floors.

Sound Control System

All Lamdura collections are equipped with a pre-attached underlay that provides built-in acoustical performance for a quieter underfoot.

2MM pre-attached underlay:
STC 62 / IIC 73

Quick and Easy Installation

Lamdura laminate floors are equipped with Megaloc, our unique and patented angle-drop installation system. Megaloc is fast, easy to use, and strong enough to allow for installations of up to 66' x 66' without the use of transitions.

megaloc

LANDMARK

Authentic design meets durability in Landmark, our highest performing collection.

Featuring beautiful textures, an incredibly durable AC5 wear layer and Aqua Protect moisture protection, the Landmark collection is perfect for busy high-traffic households.

INSPIRATIONS

A fresh & modern take on traditional wood floors forms the foundation of the Inspirations collection.

Featuring authentic hand-scraped textures and a variety of unique colorations, Inspirations puts a contemporary twist on a time-tested design.

VISIONS

Offering exceptional value without sacrificing style, quality, or performance, Visions is the most economical collection in the Lamdura laminate family.

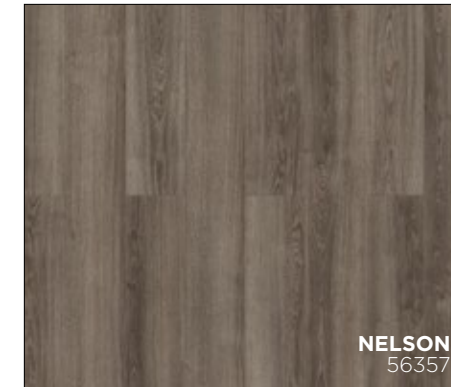

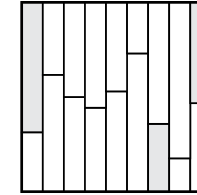

Featuring a variety of on-trend colors and designs, Visions is the ideal choice to create a beautiful space without breaking the bank.

COLOR VARIATION

The Lamdura laminate floors offer three levels of plank-to-plank color variation. Each individual SKU is rated according to its unique look and design.

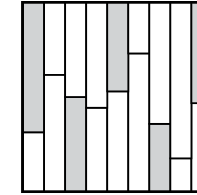

VARIATION: LIGHT

- Slight contrast
- Consistent floor with a uniform look

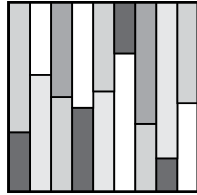

VARIATION: MEDIUM

- Moderate contrast
- Floor with subtle tonal changes

VARIATION: HEAVY

- Pronounced contrast
- Dynamic floor with bold character
