

Nu-MC 2™

Hybrid Floor Finish with Bio-Elastomer 10™

Description

Nu-MC 2™ is a floor finish very respectful of the environment that contains no VOCs. FOR PROFESSIONAL USE ONLY.

Benefits

- No VOC's.
- Spreads easily, dries quickly.
- facilitates maintenance and allows to extend the frequency of stripping.

pH8

Directions

Apply Nu-MC 2™ floor finish to the surface as needed. Make sure that the finish dries completely between each application. Can be used with all types of applicators and application methods. Nu-MC 2™ is versatile and responds well to both high and low-speed buffing.

For use in food establishments: Avoid contamination of food during use and storage of product. Do not use on surfaces that come into contact with food.
