10636Q: Up to 25" Tile

DEPTH

1/2" Max. Tile Depth

PRECISION

Includes one 7/8" titanium tungsten carbide cutting wheel. Replaceable wheel sold separately.

LIGHTWEIGHT

Only 5-1/2" wide and lighter than any other cutters on the market for easy transport to the job site

The QEP® XTREME Series Slimline Tile Cutters are less bulky, yet just as powerful as standard tile cutters. Only 5½" wide, these cutters are lightweight and easy to carry from site to site. The dual rails are set 2⅜" apart for a better view when scoring and snapping tile. These slim cutters are easy to operate and store, even in small spaces. These multi-purpose cutters are for most ceramic and porcelain tile.
