Item No.	Description	Case Qty	Packaging
38229	Toilet Installation Kit with 12" Connector	1	Shelf Case

The QEP® Toilet Installation Kit is all you need to install a new toilet or reset it. It includes a 12" stainless steel braided toilet connector, an extra thick wax gasket with polyethylene flange, and two ¼" x 2¼" brass-plated closet bolts, with nuts and washers. This kit ensures a permanent, water tight seal between toilet bowl and waste line on 3" and 4" drain openings.
