

Through delicate graphic designs and inviting color palettes, the Tapestri collection offers a new and modern interpretation of encaustic tiles.

3 formats, 4 colors, 1 finish

Table Top Display

The Tapestri display is compact and efficient. A perfect way to elegantly display the entire collection. It beautifully showcases the range of colors, formats and patterns, while saving space. To bring the design to life the tiles are carefully grouted to give an artistic and realistic view of an installation.
