

For all purchases of five rolls and more delivered before December 31, 2023.

COMMERCIAL CARPETS

ProNop is a modern commercial carpet loop pattern made of 100% ASOTA® polypropylene solution-dyed fiber. It is ideal wherever heavy traffic requires durability and additional protection. Pro Nop is impervious to many chemicals such as caustic soda, chlorine, petroleum products, bleach as well as ice melters and salt making it ideal for indoor and outdoor applications.
