

OAK VEDBO

The warm golden stain on this single-strip oak floor from the Småland Collection enhances the late autumn harvest tones in the wood, resulting in a lively expression and naturally balanced contrast. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which enhances the worn appearance of the floor.
