CLASSIC SERIES

CLASSIC SERIES

TOUGH SILVER SNAP BLADES

Preloaded with **tough Silver Snap-Blades** constructed from premium Japanese tool steel for **unmatched sharpness and superior edge retention**. Precision to **extra-heavy duty** options.

DURABLE ABS HANDLE

Durable ABS handle withstands demanding jobs and professional use. The **stainless-steel channel** keeps the blade securely in place on cuts of any size. Stainless-steel channel maintains blade securely.

RATCHET-WHEEL BLADE LOCK

Designed with safety in mind, the **ratchet-based locking system** provides custom cutting depths. The wheel locks in place for **unlimited positions**.

AVAILABLE WITH RUBBER GRIPS

18mm and 25mm models available with **rubber grip insets** for added control and all-day comfort.
