

Ainsworth 2160

Engineered Luxury Vinyl • Therma

This high-end collection of rigid engineered luxury vinyl planks with cork backing and an enhanced finish with ceramic beads is wear resistant. The cork backing provides good thermal and acoustic insulation, making it ideal for high traffic areas. Perfect for hosting the action taking place at your customers' homes!

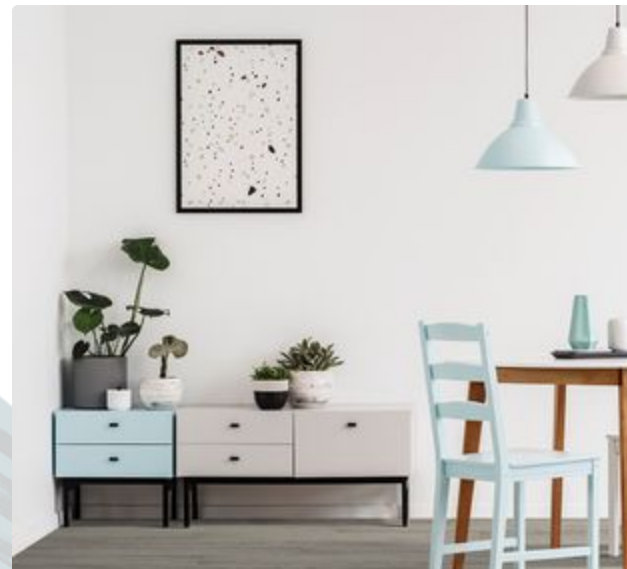

Distinguished by modern and inviting colors, Therma will appeal to all tastes. In addition, the painted macro bevel provides a realistic visual reminiscent of the space between planks that real wood flooring offers, now possible for a rigid engineered luxury vinyl.

This collection showcases certain styles that display the "Designer's Choice" feature at its best. Color variations will give your decor a unique character.

- 100% Waterproof
- Resistant to pet stains
- Hides subfloor imperfections, even when installed over existing flooring
- High-density rigid core performs in extreme temperature (-4 to 122 °F / -20 à 50 °C)
- Ultra-durable wear layer with ceramic bead technology
