RE: NUFLEX 302 GENERAL PURPOSE, HIGH TEMP., AND KITCHEN AND BATH SILICONE SEALANT (all colours)

To the best of our knowledge and belief, the formulated product listed above does not contain any of the substances on the following list at the time of our supply to our customers, either intentionally or above the reporting threshold.*

However Nuco does not specifically analyze for the presence of the specified substances. We cannot guarantee the absence or level of these substances to any specific limit or threshold value.

*When no reporting threshold is provided, the default reporting threshold will be 0.1 wt %.

Annex:

- Peanuts
- Nuts
- Tree nuts
- Sesame seeds
- Milk
- Eggs
- Sulphites
- Fish
- Crustaceans
- Shellfish
- Mustard
- Wheat
- Soy

This information is provided in good faith and is believe accurate as of the date of the letter based on a review of current composition information. Nuco makes no express or implied warranty about this information. Nuco disclaims all liability whatsoever, howsoever arising from or in connection with this information. The customer remains responsible for determining the suitability of the Nuco products for the customer's particular use through appropriate testing and analysis.

Best regards,

Chris Oswin, M.Sc.
Technical Director
Nuco Inc.
