

LaBlanca

Avorio

Indoor/Outdoor

Glossy/Matte

Each tile features a combination of glossy and matte effects, offering both a striking visual appeal and a unique tactile experience.

3D Ink technology designed and developed to give an unprecedented material realism of travertine to surfaces through a flexible high-definition production process.

Cordova is available in a versatile 24x48 size, offered as both 1CM tiles and 2CM pavers for seamless indoor and outdoor integration.
