

Safety Data Sheet according to the Hazardous Products Regulation (February 11, 2015) Version: 1.0

Date of issue: 01-09-2020 Revision date: 01-09-2020

SECTION 1: Identification	
1.1. Product identifier	
Product form	: Manufactured Article
Substance name	: ABS Drain
1.2. Recommended use and restriction	ns on use
Recommended use	: Shower installations
1.3. Supplier	
Supplier M-D PRO	
5720 Ambler Drive	
L4W 2B1 Mississauga, ON - Canada T 1-800-565-6653	
1.4. Emergency telephone number	
Emergency number	: 1-800-565-6653
SECTION 2: Hazard identification	
2.1. Classification of the substance or	mixture
Classification (GHS CA)	
Manufactured Article: GHS classification and la	abelling not applicable. This product is exempt from classification and labelling as per the Hazardous
Products Act, Paragraph 12(i).	
2.2. GHS Label elements, including pr	ecautionary statements
GHS-CA labelling	
No labeling applicable	
2.3. Other hazards	
No additional information available	
2.4. Unknown acute toxicity (GHS CA)	
Not applicable	
SECTION 3: Composition/informat	ion on ingredients
3.1. Substances	
Not applicable	
3.2. Mixtures	
	a harmontianed according to the criteria of acction 2.2 of W/UNUS 2015
·	o be mentioned according to the criteria of section 3.2 of WHMIS 2015
SECTION 4: First-aid measures	
4.1. Description of first aid measures	
First-aid measures after inhalation	: Not a normal route of exposure.
First-aid measures after skin contact	: None necessary under normal conditions of use.
First-aid measures after eye contact	 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if preser and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
First-aid measures after ingestion	: Not a normal route of exposure.
4.2. Most important symptoms and eff	ects (acute and delayed)
Symptoms/effects after inhalation	: No known adverse effects.
Symptoms/effects after skin contact	: No known adverse effects.
Symptoms/effects after eye contact	: Mechanical irritation.
Symptoms/effects after ingestion	: Not a normal route of exposure.
4.3. Immediate medical attention and s	special treatment, if necessary
Other medical advice or treatment	: No additional information available
SECTION 5: Fire-fighting measures	S
5.1. Suitable extinguishing media	
Suitable extinguishing media	: Use extinguishing media appropriate for surrounding fire. Water spray.

Safety Data Sheet

according to the Hazardous Products Regulatio	
5.2. Unsuitable extinguishing m	edia
Unsuitable extinguishing media	: None known.
5.3. Specific hazards arising from	m the hazardous product
Fire hazard	: Fire will produce dense black smoke. Products of combustion may include, and are not limited to: oxides of carbon. Nitrogen oxides.
5.4. Special protective equipment Protection during firefighting	 nt and precautions for fire-fighters Keep upwind of fire. Wear full fire fighting turn-out gear (full Bunker gear) and respiratory protection (SCBA).
SECTION 6: Accidental releas	e measures
6.1. Personal precautions, prote	ctive equipment and emergency procedures
General measures	: No special technical protective measures required
6.2. Methods and materials for c	containment and cleaning up
For containment	: No special measures required.
Methods for cleaning up	: No special measures required.
6.3. Reference to other sections	
	: "Exposure controls/personal protection"
SECTION 7: Handling and sto	
7.1. Precautions for safe handlin	-
Precautions for safe handling	: No special measures required
Hygiene measures	: None necessary under normal conditions of use.
	, including any incompatibilities
Storage conditions	: Keep out of the reach of children. Keep container tightly closed. Protect from sunlight. Keep away from sources of ignition. Store in a dry, cool and well-ventilated place.
SECTION 8: Exposure control 8.1. Control parameters	s/personal protection
No additional information available	
8.2. Appropriate engineering co	
8.2. Appropriate engineering co Appropriate engineering controls	: Ensure good ventilation of the work station.
8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls	Ensure good ventilation of the work station.Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure 	: Ensure good ventilation of the work station.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection endine 	Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection exposure Eye protection: 	Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection ending Eye protection: Use appropriate personal protection ending 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection ending Eye protection: Use appropriate personal protection ending Skin and body protection: 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection ending Experimental exposure Use appropriate personal protection ending Skin and body protection: Use appropriate personal protection ending 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection enditions Skin and body protection: Use appropriate personal protection enditions Kin and body protection: Use appropriate personal protection enditions Appropriate personal conditions of unditions 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection endities Experimental exposure Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Other information: 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Use appropriate personal protection endities Skin and body protection: Skin and body protect	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection enditions Experimental exposure Skin and body protection: Use appropriate personal protection enditions Kin and body protection: Use appropriate personal protection enditions Kin and body protection: Use appropriate personal protection enditions Skin and body protection: Not required for normal conditions of unditions Handle in accordance with good industions SECTION 9: Physical and chemical enditions 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection enditions Eye protection: Use appropriate personal protection enditions Skin and body protection: Use appropriate personal protection enditions Skin and body protection: Use appropriate personal protection enditions Skin and body protection: Use appropriate personal protection enditions Skin and body protection: Use appropriate personal protection enditions of unditions Section: Section: Information on basic physical 	 Ensure good ventilation of the work station. Avoid release to the environment.
 8.2. Appropriate engineering controls Appropriate engineering controls Environmental exposure controls 8.3. Individual protection measure Hand protection: Use appropriate personal protection enditions Experimental exposure Skin and body protection: Use appropriate personal protection enditions Kin and body protection: Use appropriate personal protection enditions Kin and body protection: Use appropriate personal protection enditions Kin and body protection: Use appropriate personal protection enditions Kin and body protection: Section: Section:<!--</td--><td> Ensure good ventilation of the work station. Avoid release to the environment. </td>	 Ensure good ventilation of the work station. Avoid release to the environment.

Safety Data Sheet

according to the Hazardous Products Regulation (February 11, 2015)

Melting point	: 130 - 150 °C (266 - 302 °F)	
Freezing point	: No data available	
Boiling point	: No data available	
Flash point	: 400 °C (752 °F)	
Auto-ignition temperature	: 466 °C (870 °F)	
Decomposition temperature	: No data available	
Flammability (solid, gas)	: Not flammable	
Vapour pressure	: No data available	
Vapour pressure at 50 °C	: No data available	
Relative density	: 1.03 - 1.07	
Solubility	: Insoluble in water	
Partition coefficient n-octanol/water	: No data available	
Viscosity, kinematic	: No data available	
Explosive limits	: No data available	

9.2. Other information

No additional information available

SECTION 10: Stability and reactivity	ty
10.1. Reactivity	
Reactivity	: No dangerous reactions known under normal conditions of use.
Chemical stability	: Stable under normal conditions.
Possibility of hazardous reactions	: No dangerous reactions known under normal conditions of use.
Conditions to avoid	: Heat. Incompatible materials. Dust formation.
Incompatible materials	: Strong oxidizers.
Hazardous decomposition products	: May include, and are not limited to: oxides of carbon. Oxides of nitrogen. Fire will produce dense black smoke.

SECTION 11: Toxicological information

11.1. Information on toxicological effects	
Acute toxicity (oral)	: Not classified.
Acute toxicity (dermal)	: Not classified.
Acute toxicity (inhalation)	: Not classified.
Skin corrosion/irritation	: Not classified.
Serious eye damage/irritation	: Not classified.
Respiratory or skin sensitization	: Not classified.
Germ cell mutagenicity	: Not classified.
Carcinogenicity	: Not classified.
Reproductive toxicity	: Not classified.
STOT-single exposure	: Not classified.
STOT-repeated exposure	: Not classified.
Aspiration hazard	: Not classified.
Symptoms/effects after inhalation	: No known adverse effects.
Symptoms/effects after skin contact	: No known adverse effects.
Symptoms/effects after eye contact	: Mechanical irritation.
Symptoms/effects after ingestion	: Not a normal route of exposure.

SECTION 12: Ecological information

12.1. Toxicity Ecology - general

: May cause long-term adverse effects in the aquatic environment.

12.2. Persistence and degradability

	ABS Drain		
	Persistence and degradability	Not established.	
12.3. Bioaccumulative potential			
	ABS Drain		
	Bioaccumulative potential	Not established.	

Safety Data Sheet

according to the Hazardous Products Regulation (February 11, 2015)

according to the Hazardous Products Regulation	1 (February 11, 2015)	
12.4. Mobility in soil		
No additional information available		
12.5. Other adverse effects		
Ozone	: Not classified.	
Other information	: No other effects known.	
SECTION 13: Disposal conside	erations	
13.1. Disposal methods	dationa : Dianasa in a safe manner in assertance with level/astional regulations	
Product/Packaging disposal recommer	idations : Dispose in a safe manner in accordance with local/national regulations.	
SECTION 14: Transport inform	ation	
14.1. Basic shipping description		
In accordance with TDG		
Transportation of Dangerous Goods		
Not regulated for transport		
14.2. Transport information/DOT		
No additional information available		
14.3. Air and sea transport		
No additional information available		
SECTION 45: Bogulatory infor	motion	
SECTION 15: Regulatory infor	Ination	
15.1. National regulations		
All components of this product are liste Substances List) inventories.	ed, or excluded from listing, on the Canadian DSL (Domestic Substances List) and NDSL (Non-Don	nestic
15.2. International regulations		
No additional information available		
SECTION 16: Other informatio	n	
Date of issue	: 01-09-2020	
Revision date	: 01-09-2020	
Other information	: None.	
Prepared by	: Nexreg Compliance Inc.
