

POWERNAIL®

POWERCLEATS®

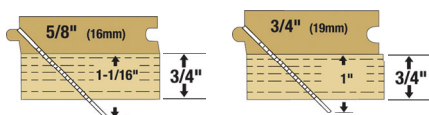

16 GA. 18 GA. 20 GA.

Powercleats are an essential part of any wood floor professional's tool box. With three gauges of PowerCleats in various lengths, you can confidently fasten any of today's exotic & domestic varieties of wood flooring. The super-light, 20 GA. and heavier 18 GA. Powercleats feature a patented head design to prevent even the hardest species of wood flooring from squeaking, splitting or dimpling.
