

Resists Scratches

While no floor is totally impossible to scratch, ScratchMaster floors stay beautiful far longer than ordinary plank floors because of their innovative surface.

10 Year Scratch Resistance Warranty*

ScratchMaster floors are guaranteed to be highly scratch resistant, as measured on an industry standard scale.

10 Year Pet Scratch Warranty*

ScratchMaster floors are ideal for active families with dogs and cats.

- Our warranty protects against deep, permanent scratches by dogs and cats; fine scratches limited to the clear protective layer of the floor are considered normal wear and tear.
- If dog(s) or cat(s) cause deep scratches that go through the clear wear layer to the design layer, Next Floor will replace the affected area of your ScratchMaster floor (maximum one replacement).

Waterproof

Lifetime Waterproof Warranty*

ScratchMaster floors are ideal for kitchens, bath and laundry rooms... anywhere that moisture is a concern:

- Not affected by spills or moisture
- Will never swell when exposed to water
- Pet accidents can't penetrate ScratchMaster's non-porous surface

Resists Scuffs

Scuff testing proves that ScratchMaster™ outperforms ordinary plank floors:

- Fewer marks from dark shoe soles
- Shoe marks wipe off much more easily

Resists Stains

10 Year Stain Resistance Warranty*

Even most "permanent" marker lines wipe right off.

Resists Traffic

Abrasion Class AC5:
Heavy Commercial Traffic

Resists Burns

ScratchMaster™ floors feature an innovative high-melting-point surface, so they're highly resistant to cigarette and other accidental burns.
