

Antique Grade: The Antique grade is reserved for the species with the most spectacular color and grain appearance – American Cherry. A grade unique to Maine Traditions, our Antique grade is produced by using the entire run of lumber, combining our Premium and Coastal grades together in each carton. This blending of grades allows the true flavor of the hardwood to come out, with very rich color and grain contrast.

Series Name		Classic Collection Antique Grade		Species	American Cherry
Finish Type		Nano Plus™ UV Finish		Gloss Level	40%
