Introducing the exciting new Camden Collection of **Engineered White Oak Floors**. Produced in impressive 7 1/2" wide planks and lightly wirebrushed, this new collection includes several floors that are also finished with a subtle, yet distinctive whitewash. Inspired by New England coastal living, the floors in the Camden Collection are perfect for open, contemporary homes and are sure to enhance their owners' casual lifestyles. Camden has a 2mm sawn face veneer that showcases the natural beauty of the White Oak.
