

# ARDEX X4™

## LFT - Large Format Tile and Stone Mortar

### Delivering performance and value for today's tile installations.

ARDEX X 4 is a polymer modified mortar for setting most types of tile including mosaics and natural stone\* over common interior surfaces including exterior grade plywood, as well as over exterior concrete and masonry surfaces. ARDEX X 4 mortar can be used to set porcelain tiles on horizontal exterior concrete or masonry surfaces.

- Ideal for large format tile and stone
- Use for porcelain, quarry, ceramic and most natural stone\* tile
- Use above and below uncoupling membranes
- Easy to mix and apply/3-hour pot life
- Interior or exterior use; water and frost resistant
