

ST856 Decima, Cashmere | ST832 Geome, Dolomite

Coalesce™
Luxury Flooring

An Interconnected Balance

Everything in nature is interconnected. As time passes, eras of life begin and end, and the repetition continues. Coalesce draws on the connectivity of nature and humankind, merging unexpected combinations of pattern into a cohesive, balanced story. Each design was influenced by the transformation of earthly materials into textiles and mosaics from the energy of the artisan touch.

ST796 Nona, Tweed | ST855 Decima, Silverdust | ST834 Geome, Slate

Nona, Decima and **Atro** were designed as a trinity, each one with a unique, yet unified texture represented in neutral colors. Use them together or independently to create a unique space.

Nona and Atro are available in 18 in. x 18 in. tiles and Decima in 6 in. x 36 in. planks.

Building Better

We share your commitment to transparency and building a better environment together.

- Low VOC emissions and FloorScore® certified
- Free of ortho-phthalates and heavy metals
- Recyclable through the On&On® Recycling Program
- Health Product Declaration (HPD) and third-party certified Environmental Product Declaration (EPD) available
- Made in the USA with global and domestic content

Inspired by mosaic artisan techniques, **Geome** features a geometric pattern with subtle color shifts and **Oxidize** has an anodized metal look, similar to glazed ceramic. Both designs are available in 18 in. x 36 in. tiles.

ST830 Geome, Calcite

ST883 Oxidize, Platinum

ST831 Geome, Sulphur

ST884 Oxidize, Rhodium

ST832 Geome, Dolomite

ST885 Oxidize, Uranium

ST834 Geome, Slate

ST881 Oxidize, Tin

ST835 Geome, Obsidian

ST882 Oxidize, Vanta

Breakthrough Innovation

Diamond 10[®] Technology is a patented innovation that uses cultured diamonds to provide the ultimate in scratch, stain, and scuff resistance.

With Diamond 10 Technology, you'll never compromise the look you want for the durability you need. Made to stand up to the wear and tear of commercial settings, this low-maintenance solution keeps floors looking newer, longer.

1. Diamond 10® Technology

Patented innovation that uses cultured diamonds to provide category-leading scratch, stain, and scuff resistance from edge-to-edge

2. Rigid Wear Layer

The combination of Diamond 10® Technology and the unique rigid wear layer results in enhanced durability and abrasion resistance

3. Realistic Printed Visual

4. Foundation Layer

5. Eased Edge

Designed to blend seamlessly into the next plank for ease of maintenance and cleanability

**20 Year
Commercial
Limited Warranty**

Supported by a 20 Year Commercial Limited Warranty. Add 10 years of overall warranty coverage by using Strong System™ subfloor preparation products. Visit ArmstrongFlooring.com for more information.

Product Information

Construction - Solid Vinyl Tile (Luxury Vinyl Tile / LVT)

International Specifications - ASTM F1700, Class III,
Type B, embossed surface

Overall Thickness - 2.5 mm / 0.100 in.

Wear Layer Thickness - 20 mil / 0.020 in.

Size - Atro / Nona – 18 in. x 18 in.

Decima – 6 in. x 36 in.

Geome / Oxidize – 18 in. x 36 in.

Factory Finish - Diamond 10® Technology

Installation - Adhesives: S-1000, S-995, S-319 Roll Strong™

Maintenance Options - No Polish – No Buff, Polish Optional

Color and visual variation is inherent in all resilient products. Prior to installation, we recommend reviewing multiple tiles.
