

The background of the slide is a collection of various Schluter metal profiles, including different colors like copper, gold, silver, and black, and different cross-sections like T-shaped and L-shaped, all arranged in a scattered, overlapping manner.

Finis et couleurs de profilés

Finis - Aluminium

	A Aluminium		ACB/ACG Aluminium chromé anodisé brillant ou poli		ACGB Aluminium chromé anodisé brossé
	AE Aluminium anodisé mat		ATG Aluminium nickel anodisé poli		ATGB Aluminium nickel anodisé brossé
	AT Aluminium nickel anodisé mat		AKG Aluminium cuivre anodisé poli		AKGB Aluminium cuivre anodisé brossé
	AK Aluminium cuivre anodisé mat		AMG Aluminium laiton anodisé poli		AMGB Aluminium laiton anodisé brossé
	AM Aluminium laiton anodisé mat		AGSG Aluminium noir anodisé brillant		AGRB Aluminium graphite anodisé brossé
	AGR Aluminium graphite anodisé mat		AGSB Aluminium noir anodisé brossé		ABGB Aluminium bronze antique anodisé brossé

Malgré les efforts déployés pour assurer une représentation précise des couleurs et finis, certaines couleurs (et particulièrement les finis métalliques) peuvent différer légèrement de la couleur ou du fini réels des profilés. Veuillez communiquer avec notre équipe Service à la clientèle pour obtenir un échantillon du profilé sélectionné, qui vous permettra d'établir la correspondance exacte du fini.

Note : La couleur, la teinte et/ou la texture des profilés et des accessoires (ex. : coins, capuchons de fermeture, raccords, etc.) peuvent différer légèrement en raison de variations attribuables aux matières brutes et à la fabrication. Le client doit inspecter le produit à sa réception, et informer par écrit Schluter de tout dommage ou élément non conforme par rapport à la commande ou à la facture.
