the color of the Portuguese coast

esp/

En las costas portuguesas, existe un rincón bañado por la luz, de casas costeras de colores vivos: **Costa Nova**, la playa que nos ha inspirado para crear un revestimiento que responde al espíritu de la zona. Este azulejo de 5x20 cm se compone de 15 colores suaves y vibrantes en dos acabados, brillo y mate.

Hemos querido completar esta colección con unas decoraciones en **relieve** que representan las olas del mar, llamada **Onda**, y las formas puntiagudas de las casetas de la playa de Costa Nova, con el nombre de **Praia**. Una colección sencilla con espíritu costero pero de una versatilidad amplia y de acabados elegantes, que combinados con los relieves, conseguirán diseños que no pasarán desapercibidos.

*On the Portuguese coast, there is a corner bathed in light, with brightly coloured coastal houses: **Costa Nova**, the beach that has inspired us to create a cladding that enlightens the spirit of the area. This 5x20 cm tile is made up of 15 soft and vibrant colours in two finishes, gloss and matte.*

*We wanted to complete this collection with decorations in relief that represent the waves of the sea, called **Onda**, and the pointed shapes of the huts on the beach of Costa Nova, with the name of **Praia**. A simple collection with a coastal spirit but with a wide versatility and elegant finishes, which combined with the reliefs, will achieve designs that will not go unnoticed.*

*An der portugiesischen Küste gibt es eine lichtdurchflutete Ecke mit bunten Küstenhäusern: **Costa Nova**, der Strand, der uns zu einer Wandfliese inspiriert hat, die dem Geist der Gegend entspricht. Diese 5x20 cm große Fliese besteht aus 15 weichen und lebendigen Farben in zwei Ausführungen, glänzend und matt.*

*Wir wollten diese Kollektion mit Reliefdekorationen vervollständigen, die die Wellen des Meeres, **Onda** genannt, und die spitzen Formen der Hütten am Strand von Costa Nova mit dem Namen **Praia** darstellen. Eine einfache Kollektion mit Küstengeist, aber mit einer großen Vielseitigkeit und eleganten Oberflächen, die in Kombination mit den Reliefs Designs erzielen, die nicht unbemerkt bleiben.*

*Sur la Côte Portugaise, il y a un coin baigné de lumière, ainsi que les maisons côtières aux couleurs vives: **Costa Nova**, la plage qui nous a inspiré pour créer une habitude qui réponde à l'esprit du lieu. Ce carreau 5x20 cm est composé de 15 couleurs doubles et chatoyantes dans différentes finitions, brillantes et mates.*

*Nous avons voulu compléter cette collection avec des décorations en relief que représentent les vagues de la mer, appelées **Onda**, et les pointues formées des cabanes de la plage de Costa Nova, avec le nom de **Praia**. Une collection simple à l'esprit côtier mais avec une grande polyvalence et des finitions élégantes, qui, associées aux reliefs, me permettent d'obtenir des designs que ne passeront pas inaperçus.*
