

Osmo Natural Bristle Brushes Application Instructions

1. Stir the finish well prior to use and pour into a tray.
2. Take the Osmo Natural Bristle Brush and dip approximately 1cm of bristles into product.
3. Brush the finish very thinly and evenly onto the wood floor following the grain in a back-and-forth, light scrubbing motion.
4. Take care to avoid brush-stops, excessive areas of product
5. Store the brush in a plastic bag overnight to prevent drying
6. Clean with Osmo Brush Cleaner and Thinner 8000
