PRIME HARVEST® | SOLID HARDWOOD

A Classic Choice for Natural Beauty

With Prime Harvest® floors, you simply can't go wrong. The collection features America's most-loved species in colors and widths designed to complement any decorating style. And because each plank is crafted from premium lumber and backed by a lifetime warranty, you know you are getting the best.

SMOOTH, CONSISTENT LOOK

Not all hardwood floors are the same. The Prime Harvest collection features only select and premium grade Appalachian hardwoods prized for denser, more stable wood with a tighter grain and rich color. More stable grades of hardwood also mean fewer streaks, knots and flaws, so you get a consistently beautiful floor.

100% SOLID HARDWOOD

Often imitated, never duplicated, Hartco solid hardwood floors are proudly made in the USA with domestically sourced lumber, a naturally sustainable resource.
