YORKSHIRE™ | SOLID HARDWOOD

A Timeless Traditional

Looking for a solid hardwood floor that will stand the test of time in beauty and quality? The Yorkshire Collection features a classic species with an assortment of color and width options, guaranteeing you'll find the perfect fit for your décor.

AMERICA'S MOST POPULAR SPECIES

Popular and widely available, Oak is an affordable species that is easily recognizable due to its pronounced grain. Comprised mostly of Appalachian lumber, Yorkshire Oak solid hardwood features less color variation and more consistent grains while maintaining a higher level of stability. Oak also sets the standard for hardness in hardwood flooring, making it a long-lasting and durable option for active homes.

PREMIUM SOLID HARDWOOD

Genuine, authentic, beautiful – solid hardwood floors provide the durability needed to last a lifetime, but with the flexibility to always remain in style and on trend.

Choose solid hardwood for your home and benefit from:

- A classic option that coordinates with many styles
- An investment that can increase the value of your home
- The flexibility to refinish without the expense of replacement
- A tried and true flooring option that lasts a lifetime

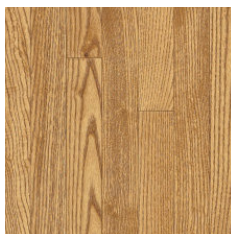

**ALL HARTCO SOLID
HARDWOOD FLOORS ARE
PROUDLY MADE IN THE USA.**
