

Microfiber Polishing Sponge

70010

MICROFIBER SURFACE

Ideal for final grout cleaning, applying sealer and polishing tile

SMOOTH

Rounded corner design prevents digging out or marring grout

MAXIMUM ABSORBANCY

Hydrophilic design provides high water holding capacity for efficient cleaning

HEAVY DUTY

Designed for grout clean-up during floor and wall tile installation

The QEP® Extra Large Microfiber Sponge is designed to withstand heavy duty cleanup, making it ideal for grouting during tile installation. This multipurpose, two-sided design features a microfiber side for polishing and removing grout haze. The 4 rounded corners prevent digging out or marring grout for professional results. This sponge is also great for general purpose cleaning and washing cars and boats. Sponge measures 7" x 5.5" x 2".
