Johnsonite

Organics

RUBBER TILE FLOORING

Tarkett

RH2 Quartz, RH8 Quantum

MADE
RIGHT
MEANS
JOHNSONITE

High style.
Low maintenance.

With subtle color variations and more random patterning, this large-scale, free-flowing aesthetic lends an open, organic feel and updated appearance to any space—plus all the strength and comfort of traditional rubber flooring. While rubber is often reserved as a safe and comfortable solution for education and healthcare spaces, this stylish design is ready to greet guests and customers in the front of the house, from lobbies to conference rooms.

Every step matters

Tarkett's holistic approach to sustainability is woven into the fabric of how we do business and sits at the heart of our day-to-day decision making.

For decades, we've been scrutinizing every detail of our business for its impact on resources like soil, water, air, and climate—because when you're trailblazing a more sustainable future, **every step matters**.

These three values help us stay the course when it comes to sustainability.

Transparency you can trust

We subject our products to relentless scientific scrutiny and third-party testing, then provide customers with radical transparency about our materials, operations, and corporate business practices.

Circular economy

We're committed to creating a circular economy where nothing goes to waste by designing products with their end of life in mind. This means always interrogating the health, safety, environmental, and social impacts of our materials.

Healthy impacts

We've made material choices across our entire portfolio that support better indoor air quality and better outcomes for every living thing. Responsible flooring design not only improves aesthetics; it directly impacts the health of the people who occupy interior spaces.

The **proof** is in the numbers.

Holistic approach

94%
of our raw materials are third-party assessed for their impact on human and environmental health based on Cradle to Cradle criteria.

69%
of raw materials are abundant, rapidly renewable or recycled.

13
zero-waste-to-landfill manufacturing plants

1.5 million lbs
of flooring recycled in 2023 in North America

Certifications you can trust

2011
started working with EPEA to integrate Cradle to Cradle principles into every facet of our business

2013
first commercial flooring CERTIFIED **asthma & allergy friendly®**

2022
Powerbond® RS is the first soft surface product in the industry to be CERTIFIED **asthma & allergy friendly®**.

Transparency you can trust

100 ppm
raw materials content revealed down to 100 parts per million

When most manufacturers reveal raw materials content down to just 1,000 ppm, there's simply no contest.

We've been providing Material Health Statements since 2013 to give you peace of mind about the content of our products.

Setting the standard

99%
of flooring solutions have low VOC emission levels—10x lower than the most stringent world standards.

100%
ortho-phthalate-free vinyl production; first company to eliminate ortho-phthalates from all products

Global excellence

2010
first flooring manufacturer to join the UN Global Compact

2016
Began reporting to the Carbon Disclosure Project (CDP). In 2023, Tarkett scored A-, the CDP management level.

2020
first assessment by EcoVadis. In 2024, Tarkett's score of 81/100 earned us a Platinum medal and placed us in the top 1% of rated companies.

2023
Climate target approved by SBTi (Science Based Targets initiative). Targeting 30% GHG emissions reduction and increase of 30% recycled content across all products by 2030.

At Tarkett, social and environmental responsibility aren't add-ons. They're woven, stamped, and sealed into everything we do.
But more importantly, we don't just say this, we prove it.

Specifications

Technical data		
Type of floor covering	ASTM F1344	Rubber floor tile
Classification	ASTM F1344	Class 1-A and 1-B
Total thickness	ASTM F386	1/8" (3.175 mm) Standard
Static load limit	ASTM F970	Passes at 250 psi
Heat Stability by color change	ASTM F1514	<8.0 ΔΣ
Hardness	ASTM D2240	Min 85 Shore A
Dimensional stability	ASTM F2199	≤ 0.15%
Abrasion resistance	ASTM D3389	< 1g loss after 1,000 cycles
Slip resistance	ASTM D2047	≥0.5 SCOF
Flame resistance	ASTM E648	Class 1
Smoke density	ASTM E662	< 450
Chemical resistance	ASTM F925	Passes
Tile size	Width x Length	12" x 24" (305 mm x 610 mm) 24" x 24" (610 mm x 610 mm)
Quantity (per carton)		12" x 24" – 16 pieces @ 32 sq. ft (3.0 m^2) per carton 24" x 24" – 8 pieces @ 32 sq. ft (3.0 m^2) per carton
Weight (per carton)		32 lb. (14.5 kg)
Colors		10
Surface texture		Standard
