Limited Product Warranty

Custom Building Products ("CUSTOM") warrants to the original consumer purchaser that its product shall be free from defects in material and workmanship under normal and proper usage for a period of one year following the date of original purchase. CUSTOM's sole liability under this warranty shall be limited to the replacement of the product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with CUSTOM's printed instructions. CUSTOM makes no other warranties either express or implied. This warranty gives you specific legal rights, and you may have other rights that vary from state to state.

CUSTOM[®] Technical University

Custom Building Products developed Custom Technical University or "CTU" as its exclusive, interactive educational forum. CTU combines impactful curriculum, all the latest tools and a state-of-the-art facility designed to engage sales representatives, distributor personnel, contractors, installers, architects, designers and specifiers.

A variety of programs acquaint professionals with the latest installation methods, best practices, time-saving tips, codes, standards, products and system assemblies for the tile, stone and flooring industries.
