

HYDRO BAN® Shower Pans and Kits

NEW

Kit: DS#36586.0-0819/Pan only: DS#36588.0-0819

The HYDRO BAN® Shower Pan provides you with the convenience of a smaller, easier to handle, multi-piece, pre-fabricated shower pan for a waterproof shower installation. The HYDRO BAN Shower Pan comes with a piece of HYDRO BAN Sheet Membrane to cover the pan and allows you to waterproof the shower with HYDRO BAN liquid membrane over cement board or with HYDRO BAN Board (both sold separately).

FEATURES	BENEFITS
<ul style="list-style-type: none"> Pre-sloped, ready-to-install (compared to mortar install) 	<ul style="list-style-type: none"> Faster installation, consistent outcome
<ul style="list-style-type: none"> Combined into an easy-to-order kit 	<ul style="list-style-type: none"> All essential items included
<ul style="list-style-type: none"> Multiple installation options 	<ul style="list-style-type: none"> “Do it your way”
<ul style="list-style-type: none"> Works in conjunction with LATICRETE tile and stone installation materials 	<ul style="list-style-type: none"> Single source supplier
<ul style="list-style-type: none"> Lifetime System Warranty* 	<ul style="list-style-type: none"> Pan, drains, waterproofing, thin-set, grout and sealant
