

VINYL & RUBBER ACCESSORIES

Product Catalog 2021

The information in this catalog is gathered from customers, end users, and our personal experiences. The products have been created to provide you with solutions for today's transition challenges.

We would like to thank you for your patronage and for giving us the opportunity to become "Your Flooring Accessories Specialist". Being "Your Flooring Accessories Specialist" means ...

- We will provide the best service in the industry by utilizing a team of dedicated Customer Service Specialists.
- Our product will maintain a high degree of consistency and quality to meet the needs of our customers, by manufacturing our product to ISO standards.
- We will incorporate our customers input when making decisions, by using ideas and suggestions brought to us.
- All our business dealings will be handled with integrity, by ensuring customers and suppliers alike know the facts.
- New product innovation will be an integral part of our business strategy, by continually anticipating market trends and designing the accessories demanded by the industry.

For questions or concerns pertaining to products contained in this catalog, please contact our Customer Service department. Our team of specialists will be happy to assist you.

VINYL & RUBBER PRODUCTS

The M-D PRO vinyl and rubber extrusion process is one that has been perfected over 60 years with the capability to provide a broad range of profiles and designer colors that are sure to aid in a well-crafted and finished end project. Our wall base, trim, stair treads, nosing and more are easy to install and maintain. Our vinyl and rubber extruded products are flexible, durable, scuff and scratch resistant and are made of 100% virgin material.

VINYL WALL BASE

High quality vinyl Cove Base manufactured using 100% virgin materials. Advanced co-extrusion technology allows for tough scuff-resistant surface while maintaining overall flexibility and ease of installation.

Unique "V-Groove" glue lines provide greater surface area on back of base for vastly improved contact area.

Top return ensures close fit to wall.

The compounds used consist of durable high resin vinyls. We welcome your custom color inquiries. Certain minimums apply.

Profile Numbers	Dimensions	Pack Size	Pallet Size	Colors
VX250	G=0.080"(2mm), H=2-1/2"(6.4cm)	120' rolls	72 cartons for 120'roll	Available in all colors, refer to page 23

VINYL & RUBBER ORDER POLICIES

ANY COLOR SHIPPED IN 5 BUSINESS DAYS - GUARANTEED!

No more special order colors, special conditions or lead times.

All vinyl/rubber profiles are available in all of our colors in our published color assortment on page 23 and we will guarantee shipment within 5 business days of your order!

CUSTOM COLOR MATCH

Any request for custom vinyl/rubber colors outside of our published color assortment on page 23 can always be accommodated. Example; we can match any color for a minimum order of 10 cartons of 4" cove base and a \$350.00 custom color set-up fee will apply. On orders of 1 pallet or more of cove base, the custom color set-up fee will be waived.

The minimum order requirements are based on the size of the profile. Please contact your Customer Service Representative for more details.

*Please allow a minimum of 20 business days from the receipt of PO for shipment of color strike-off. We must have the customer's written authorization before proceeding with production of a custom color.

BROKEN CARTON POLICY

Less than full cartons may be purchased on select items with a minimum up charge of 20%, please contact your Customer Service Representatives for details. No returns will be granted for items that fall below the standard carton/pack size.

M-D PRO LIMITED WARRANTY

M-D PRO products are warranted for a period of 1 (one) year from date of shipment. All products will be subject to the following manufacture warranties; Products will conform to original product and contract description with only such reasonable variations as is acceptable in the trade. These products will be fit for the purposes for which they were intended and that they will be adequately packaged and labeled. M-D PRO will replace any defective product found if said defect is identified before installation. If a defect is found after installation, M-D PRO must be notified in writing within 10 days of installation. The customer must then, at M-D PRO's discretion, allow an inspection of the installation. If upon inspection, M-D PRO determines the product to be defective, M-D PRO will at its own discretion supply replacement materials that conform to the contract requirements or issue a credit equal to but not exceeding the original purchase price for the goods in question. M-D PRO assumes no liability or responsibilities for labor or the cost of other materials used in such installations.

These warranties do not circumvent any individual product category warranties implied or stated by M-D PRO.

Warranties do not apply to the following specified items, terms and conditions:

- A.** Exact matching of color, shade, texturing or mottling.
- B.** Any warranties, other than expressed above, implied or promised by any sales representative.
- C.** Tears, scratches, burns, or other damage caused by improper installation, improper use or maintenance.
- D.** Sales of "Seconds", or "Imperfect" goods.
- E.** Problem caused by moisture, hydrostatic pressure or alkali in the sub-floor.
- F.** Problem caused by installation with non-approved adhesive. If you are unsure about the suitability of a particular adhesive, please call us for our recommendations.
- G.** Product installed outdoors. M-D PRO products are designed for interior use only.
- H.** Color degradation caused by sunlight or other U.V. exposure. These warranties are supplied in lieu of any other warranty, expressed or implied. All product specifications are subject to change without notice.
