

# Roberts® Carpet Seam Tapes

Premium tapes trusted for performance & easy glide formulation

## Product Description

For more than four decades, flooring installers have turned to Roberts® carpet seam tapes as the reliable solution for all residential and commercial carpeting installations. Roberts® tapes create robust seams for long-lasting floor coverings, with reduced smoke and odor.

Roberts® carpet seam tapes come with a variety of different widths, scrim designs, fiberglass reinforcement, and adhesive strengths, ensuring that there is a Roberts® seam tape with the right performance and at the right price for any carpeting installation.

Product	Description	Key Benefits	Application Type
50-500 MAX 500 Heat Bond Tape	<ul style="list-style-type: none"> <li>· Carpet Seaming Tape</li> <li>· 3-5/8" wide</li> <li>· 22 yds. long</li> </ul>	<ul style="list-style-type: none"> <li>· 3" of scrim plus 2" of added fiberglass-reinforced scrim for the toughest jobs</li> <li>· Maximum layer of premium adhesives</li> <li>· Especially recommended for Berber carpet</li> <li>· Low smoke and low odor</li> </ul>	High traffic carpet applications – polyurethane-coated, polypropylene-backed, jute, Shaw Softbac®, woven
