

# 9½" Bullet Vinyl Cutter

BT92-2195 | EDI 29955

## NO NOISE. NO ELECTRICITY. NO DUST.

- Makes installing your floor fast and easy
- Safer and faster than a chop saw
- Cut right next to you as you install the floor
- Less mess to clean up when you're done
- Tool case built into table
- Keep all your flooring tools together in the included case
- Easily replaceable bi-metal blade
- Replaceable steel anvil
- Non-marking feet
- Get to work quickly with easy, no-tool set up
- Blade lasts up to 5000 sq. ft. installed before sharpening
