TABLETTES / SHELVES

Les tablettes Fusion sont une alternative pour maximiser le rangement et agencer avec les niches Fusion pour votre douche ou autre endroit qui sera à carrelé. Les tablettes Fusion sont fabriquées d'acier inoxydable 304 et disponibles dans les trois finis suivant: inox, nano et noir.

Les couleurs personnalisées sont disponibles aussi. Le minimum à commander est de 150 unités par modèle. Les tablettes Fusion s'installent au même moment que le carrelage soit entre les carreaux et si nécessaire, il est possible de les fixer au mur en utilisant des vis de dimension # 8.

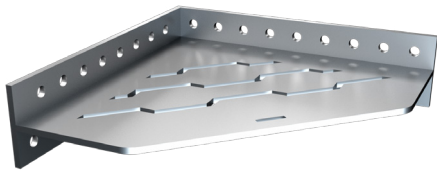

Fusion shelves are an alternative to maximize storage and pair with Fusion niches for your shower or other tiled space. Fusion shelves are made of 304 stainless steel and available in the three following finishes: stainless steel, nano and black.

Custom colors are also available. The minimum order is 150 units per model. Fusion shelves are installed at the same time as the tiles, between the tiles. The shelves can also be fixed to the walls using # 8 screws.

**Pour les niches à carrelé / for niches made in tiles
Installation avec mur de 2" x 6" uniquement / Installation with 2 "x 6" walls only.**

NICHES

Les niches Fusion vous permettent d'optimiser et de personnaliser votre douche ou autre espace. Les niches Fusion sont fabriquées d'acier inoxydable 304. Elles sont munies de pentes d'égouttement intégrées et elles sont fabriquées avec les coins ronds intérieurs ce qui facilite l'entretien. Disponible dans les trois finis suivants : inox, nano et noir.

Les niches Fusion s'installent facilement et rapidement sur les murs munis de montants de 2" x 4" et de 2" x 6" en vous assurant une étanchéité optimale, et moins dispendieuses que les niches à carreler.

Attention : Il n'est pas recommandé d'installer les niches sur un mur extérieur pour ne pas nuire à l'isolation de la résidence.

Fusion niches allow you to optimize and customize your shower or other mural space. Fusion niches are made of 304 stainless steel. They are equipped with an integrated drop slope and they are manufactured with rounded corners inside which facilitates maintenance. Available in the following three finishes: stainless steel, nano and black.

Fusion niches can be installed easily and quickly on walls fitted with 2" x 4" and 2" x 6", ensuring optimal sealing and less expensive than tiled niches.

Caution: It is not recommended to install the niches on an exterior wall so as to not interfere with the insulation of the home.

ENTRETIEN / MAINTENANCE

Nettoie efficacement la saleté, les résidus de savon, les résidus de tartre et élimine les odeurs dans la salle de bain. Idéal pour : bain, douche, cuvette, robinetterie, acier inoxydable, céramique, comptoir, etc.

Un seul nettoyeur pour toutes les surfaces dans la salle de bain. Vaporiser le produit sur les parois de la surface à nettoyer. Laisser agir au besoin puis rincer.

Mise en garde : Ne pas utiliser sur le marbre, les surfaces à base de carbonate et toute autre surface sensible aux acides.

Attention : Ne pas utiliser de nettoyeur avec des abrasifs et/ou de tampons à récurer.

Efficiently removes dirt, soap scum, scale residues and eliminates odours in bathrooms. Ideal for: bath, shower, sink, toilet, fixtures, stainless steel, ceramic, counter tops, etc. One cleaner for all bathroom surfaces. Spray the product over the surface to be cleaned. Let stand if needed, then rinse.

Important: Do not use on marble, carbonate surfaces and any other acid-sensitive surface.

Caution: Do not use cleaner with abrasives and/or scouring pad.
