GRAFFITI

El "graffiti" es el resultado de pintar imágenes en las paredes de manera libre, creativa e ilimitada con fines de expresión y divulgación donde su esencia es cambiar y evolucionar el entorno, buscando ser un atractivo visual de alto impacto.

Estos "graffitis" cumplen esa función, entran en el interior, de forma que cualquier lugar lo convierte en especial y diferente, dando un toque original al espacio.

"Graffiti" is the result of painting images on the walls in a free, creative and unlimited way for purposes of expression and dissemination where its essence is to change and evolve the environment, seeking to be a high-impact visual attraction.

These "graffiti" fulfill that function, they enter the interior, so that any place makes it special and different, giving an original touch to the space."
