Premium Silent IXPE Underlayment

Premium 3mm IXPE Acoustic Underlayment for
Laminate, Engineered & Solid Hardwood Floors

- **Excellent Moisture Protection:** Built in moisture protecting film prevents any moisture vapors from entering flooring. No need for additional films.
- **Superior Acoustical Protection:** For both through the floor and footfall noise protection. Reduces the transmission of noise associated with foot traffic. Industry leading STC & IIC ratings.
- **Comfort:** Increases R-Value in your home for better thermal performance & insulation.
- **Convenience:** Hides minor sub floor imperfections.
- **Easy Installation:** Pre-attached tape & overlap for quick seam sealing.

TECHNICAL SPECIFICATIONS

- **Class IIC (Impact Isolation Class):** 74
- **Class STC (Sound Transmission Class):** 73
- **Color:** Blue IXPE Silent Foam, Blue PE Film
- **Thickness:** 3mm
- **Coverage:** 200sqft/Roll
