## DESCRIPTION

This product is environmentally friendly and its low-odour formula is highly effective for quickly removing accumulated sealers and floor finishes (schools, hospitals and all other buildings with large surface areas).

## DILUTION

1:4

## METHOD OF USE

Prepare the floor stripping solution in accordance with dilution recommendation 1:4. Spread the solution evenly over the floor. Let stand for 5 to 10 minutes while scrubbing with a low-speed machine equipped with an appropriate black disc. Pick up the solution, rinse well, and make sure that the floor is neutralized and dry before applying a new floor finish.

**CAUTION:** May damage linoleum surfaces and others sensitive to alkaline products. It is recommended not to use the Floor Stripper on these surfaces.

KEEP OUT OF REACH OF CHILDREN.

- Contains ingredients that exceed international environmental accreditation standards.
- Recyclable packaging.
- Refer to Safety Data Sheet for further information.
